INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sir: I have located persons who know of my mother's foreparents. But as they are very old and living in different towns, and some in different states, it seems a very difficult, perhaps impossible matter to get them together.

Would it be satisfactory to have paper drawn up signed by one witness before an officer in one town, and then by another in a different place, before an other officer? Please advise me.

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, who you state lived in Howard County, Missouri, in 1851; you also state that she was never enrolled with the Eastern Cherokees. Do you know why she was never so enrolled? The names of your grandparents do not appear on any roll made of the Cherokees; where did they live in 1851 and in 1835? Did they ever live with the Cherokee Tribe? When did your ancestors move to Missouri?

Were any of your people ever held as slaves; if so, were they owned by white people or Indians?

Do you claim relationship to any Indian Tribe other than the Cherokees?

Please give this matter prompt attention and refer in your reply to the number of your application.

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your parents, Jack and Katie Still; if they were enrolled in 1851 with the Eastern Cherokees, as you state in your application, give the names used by them in enrollment at that time. Were they enrolled together; if not, give the names of the members of their respective families who were enrolled with them.

Where did Jack and Billy Seabolt live in 1851? We are unable to find their names on the Eastern Cherokee Roll. If they were enrolled at that time, as you state in your application, they must have used names other than these. What were their Indian names?

Are any of your ancestors Old Settlers?

Were you or your mother ever held as a slave; if so, were you owned by white people or Indians?

Have you ever been affiliated with any tribe other than the Eastern Cherokees?

Please give this matter prompt attention and refer in your reply to No. 9253.

Very respectfully,

Special Commissioner.

Mary Esau,

Melvin, Oklahoma.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Co-sueai-vee, and your mother, Aley. You state that they were living in Tahlequah District in 1851 and enrolled with the Eastern Cherokees at that time. We are unable to find the names given on the Cherokee Roll. If they were enrolled at that time, as you state, they must have used names other than these. In your reply, furnish us with all the names they might have borne at any time, the correct names under which they were enrolled, and the names of the members of their families who were enrolled with them in 1851. Were they enrolled together? What was your father's English name?

Were any of your people Old Settlers and did they ever share in any Old Settler payment?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully

Special Commissioner.

Madam:

In the supplemental application which you have filed for your children, for participation in the Eastern Cherokee Fund, you give Maggie Vann as the last named child. Please state whether or not the above named child was enrolled by the Lawes Commission. If so, under what name and number was she enrolled?

This information is important and you are requested to answer this letter immediately and refer in your reply to LIS, #9265.

Very respectfully,

Quinn Miller,

Special Commissioner.

Dear Miss Schofield, - In answer to the above I have just interviewed Kizzie Vann through an interpreter - and it does not seem likely that Maggie was ever enrolled. She is about 5 years of age now, and is living. The case of this minor would seem all right - if the parent's case is satisfactory in other respects. - WE are all well.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office why you were not enrolled with the Eastern Cherokees in 1851, and where were you living at that time?

Do you claim Eastern Cherokee blood through both your father and your mother? If so, please state why neither of them were enrolled with the Eastern Cherokees in 1851.

Why were your grandparents on your mother's side and why were they never enrolled on any Eastern Cherokee Enrollment?

It will be impossible to make disposition of your claim for participation in this fund without additional information concerning your ancestors.

Were you or any of your people ever held as slaves; if so, were you owned by white people or Indians?

Do you claim any Creek blood? Have you or any of your ancestors ever lived among the Creeks or affiliated in any way with any other tribe of Indians?

Please give this matter prompt attention and refer in reply to No. 9266.

Very respectfully,

Sir:-

Replying to your letter of August 11, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Taunece, who you state lived in Caline District, Cherokee Nation, in 1851. His name fails to appear on the Eastern Cherokee Roll made at that time; do you know why he was not enrolled? Give the names of the members of his family who were enrolled with him at that time.

Give the exact date of your birth.

Do you claim Cherokee blood through your mother? If possible, give the names of your grandparents? Have you any brothers and sisters living; if so, give their names; if sisters are married, give their married names.

Were any of your people Old Settlers or were any of them ever held as slaves? Were you ever held as a slave; if so, were you owned by white people or Indians?

Have you ever been ^{*enrolled*}~~affiliated~~ with any other tribe of Indians than the Cherokees?

Please give this matter prompt attention and refer in your reply to No. 9268.

Dear Sir:

I applied to you for my share of the Cherokee Emigrant money and for some reason I failed to get my money at the payment. My application was number 9268. The Notary Public who made it out it seems did not know how to spell my name. It should have been spelled Lizzie Ummerteskee. I certainly was wrongfully rejected. My two children ~~were~~ were also rejected with me. Is there no chance to get the matter straightened now.

Yours Respectfully,

App. No. 9271

January 20, 1908.

Dick Sequoyah,

 Melvin, Oklahoma .

Sir:

 You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Akie Sequoyah, and your mother, Tagarkee Sequoyah, who you state were enrolled with the Eastern Cherokees in 1851; these names fail to appear on that roll. If they were enrolled at that time, as you state in your application, they must have used names other than these. Kindly furnish us with their English names or any names they might have borne at any time.

 You also state that you were enrolled at that time with the Eastern Cherokees; give the name under which you were enrolled, also the names of your brothers and sisters who were enrolled with you at that time.

 Were any of your people Old Settlers or were any of them ever held as slaves? If slaves, were they owned by white people or Indians?

 Please give this matter prompt attention and refer in your reply to No. 9271.

Very respectfully,

H Z / ED

Melvin, Oklahoma.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, you are requested to inform this Office as to the date of your birth.

You state in your application that your father and your mother were living in Delaware and Tahlequah Districts, Cherokee Nation, in 1851; you also state that they were enrolled at that time with the Eastern Cherokees. The name Blossom does not appear on that roll. If they were enrolled as you state, they must have used names other than these; kindly advise us what those names were. Give the names of your grandparents on both your father and your mother's side. Give the names of the members of your family who were enrolled with your parents in 1851. Were they enrolled together at that time?

Were any of your people enrolled as Old Settlers or were any of them ever held as slaves; if slaves, were they owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

John Miller
Special Commissioner/

Sir:

Relative to your application for participation in the East Cherokee Fund, kindly advise this Office as to the exact date of your birth. If you were living in 1851, state the name under which you were enrolled at that time with the Eastern Cherokees, if you were so enrolled. The names of your parents, as given in your application, fail to appear on the Eastern Cherokee Roll of 1851: if they were enrolled at that time, as you state, they must have used names other than those given. It is necessary that you furnish us with their Indian names or with the names under which they were enrolled in 1851. Were they enrolled together? Give the names of the members of your family who were enrolled with them at that time.

Give the names of your grandparents on both your father's and your mother's side.

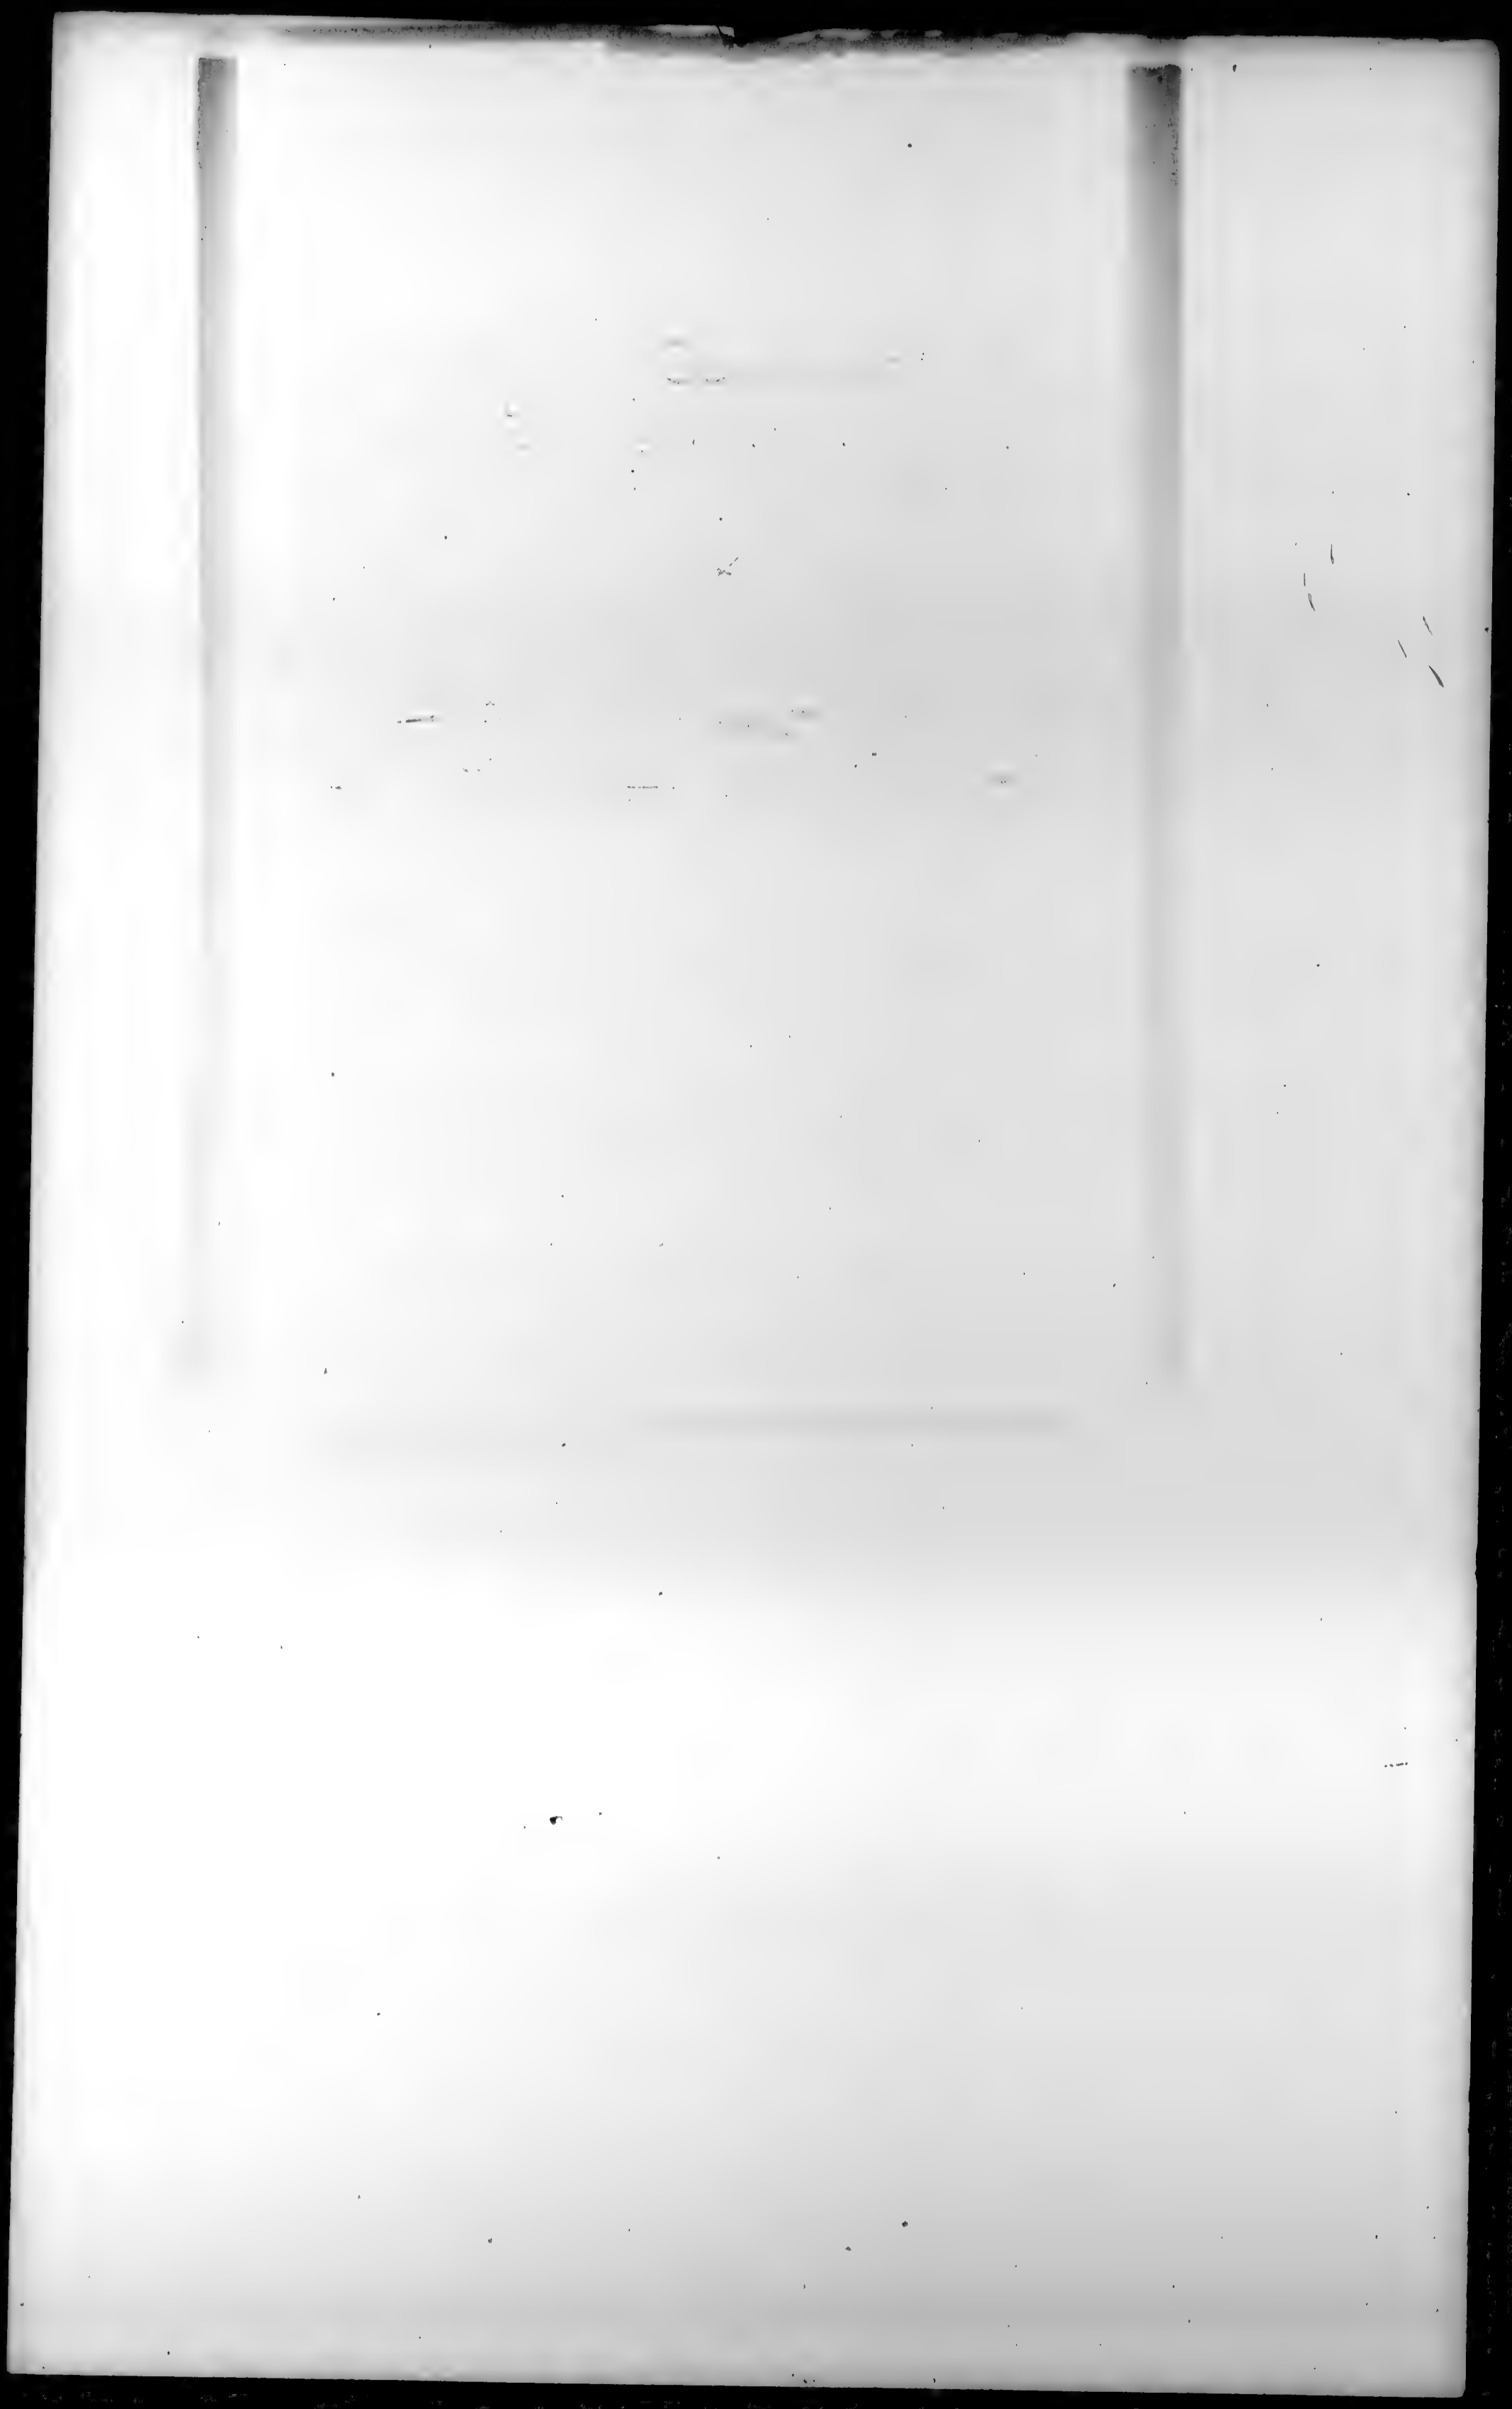

Were any of your people enrolled with the Old Settlers or were any of them held as slaves? If slaves, were they owned by white people or Indians?

Please give this matter prompt attention and refer in reply to No. 9281.

Very respectfully,

Special Commissioner.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to the exact date of your birth.

You claim a right to participate in this fund through your father, George Swimmer, who you state was enrolled with the Eastern Cherokees in 1851; we are unable to find his name on that roll.

Was your mother, Rachel Swimmer, living in 1851; if so, was she enrolled with the Eastern Cherokees at that time?

It will be impossible to make disposition of your claim without the names of your grandparents on both your father's and your mother's side. Were your grandparents enrolled with the Eastern Cherokees in 1851 or in 1835?

Were any of your people Old Settlers?

Was your mother ever held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application, signing your full name.

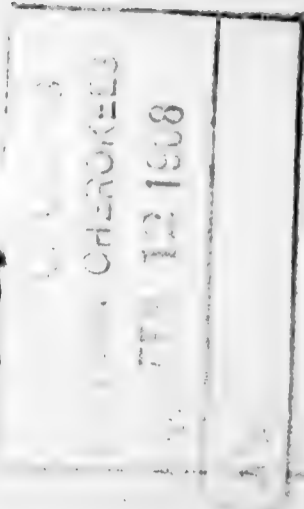

Very respectfully,

John Miller

G. A. Swimmer,

Melvin, Oklahoma.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to the exact date of your birth.

You claim a right to participate in this fund through your father, George Swimmer, who you state was enrolled with the Eastern Cherokees in 1851; we are unable to find his name on that roll.

Was your mother, Rachel Swimmer, living in 1851; if so, was she enrolled with the Eastern Cherokees at that time?

It will be impossible to make disposition of your claim without the names of your grandparents on both your father's and your mother's side. Were your grandparents enrolled with the Eastern Cherokees in 1851 or in 1835?

Were any of your people Old Settlers?

Was your mother ever held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application, signing your full name.

Very respectfully,

/s/

Special Commissioner.

App. No. 9294

January 21, 1908.

Lucy Beames,

Cherokee City, Arkansas.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, John Smith, and your mother, Betsy. You state in your application that they were not living in 1851, therefore it will be necessary for you to furnish us with the correct names of your grandparents on your mother's side. It is impossible for us to make out the names as spelled and written in your application. Give the names of your aunts and uncles on your mother's side; if your aunts are married, give their married names.

Were any of your people ever enrolled with the old Settlers or were they ever held as slaves; if slaves, were they owned by white people or Indians?

In answering these questions, have someone other than the one who filled out your application to do your writing.

Please give this letter prompt attention and refer in your reply to the number of your application.

Very respectfully,

W.C./W.C.

Special Commissioner.

I am 72 years old. I live in the state of Okla. I am an intermarried white in the Cherokee Nation. I have known Le-se Tehee since she was born. I have lived within the Indian Territory all my life. I also knew the parents of Le-se Tehee. The father of Le-se was Steve Pike, or ~~ah~~ Ah-su-to-yah. The wife of Steve was Too-nah-ye and they had a child named Nellie but I do not know whether she was the oldest child or not. The father of Steve was Pike or Ah-su-to-yah. I do not know with whom he lived in 1851. Le-se had another sister by the name of Sah-da-tuh. She married Sah-no-he yat-lah. They have a child living. I do not know the present name of the child. Nelson Glass was the husband of Le-se before she married Tehee. They had a child by the name of Charlie Glass. He is living at the present time. His P. Sir:

Replying to your letter of recent date you are advised that your child, born April 24, 1908, was not enrolled with you and your other minor child for the reason that children born after May 28, 1906, are not entitled to share in the Eastern Cherokee fund.

It is impossible for me to state, at this time, just when this fund will be distributed. However, it cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

Very respectfully,

Special Commissioner.

Tom Davis, being duly sworn, deposes and says:

My name is Tom Davis. I am 69 years old. I live in Collinsville. I live in Rogers County. I have lived in Rogers County 35 years. I know Dotty Bussey. She is dead. I do not know how old she was. She died last Spring. She had Indian Blood, ~~of~~ the Cherokee tribe. She was enrolled by the Dawes Commission, Cherokee Roll #11759. She was enrolled before for bread and strip money, and drew. She got her Indian blood from her mother, Sarah Johnson. She is dead. She has been dead 14 years. She was enrolled. She got the bread money. She lived on Bird Creek. I don't know whether she was enrolled in 1851, but she lived in Going Snake District. If she was not enrolled I do not know the reason why. Her mother was Minerva Love after marriage, and her second husband was named Conner. Her first husband was John Love, and they lived in Going Snake District. Her father was white. They never associated with any other tribe. They were on the Emigrants list. They came from the Eastern States, but I cannot remember what year. (That is, -the Loves.) I never heard them talk about the treaties of 1835-6. I am no relation to these people. I am 1/4 Indian and have filed an application. I came from North Carolina, but was quite young. Jack Conner was Sarah Johnson's father, and full blood Indian. He was known as Conner Wolf. That was his Cherokee name. Dotty Bussey has brothers and sisters: Maud Johnson, Will Johnson, and Joe Johnson, and Jess Johnson and Ed. Johnson, and Fannie Johnson. Sarah Johnson did not have any brothers and sisters. Jack Conner was enrolled for bread money. I do not know anything about the 1835 Roll. I don't know of his having any brothers and sisters.
